

HISTORY

Dutcher Crossing has come to represent an authentic and enjoyable experience for wine-lovers who visit this small winery located in the Dry Creek Valley of northern Sonoma County. The winery was founded in 2001, and Winemaker Kerry Damskey released the first wines in November, 2004. Proprietor Debra Mathy purchased Dutcher Crossing in March, 2007, ensuring the next generation of leadership as she continues to build the Dutcher Crossing brand.

WINERY AND TASTING ROOM

Dutcher Crossing Winery is a small winery situated on a beautiful site in the middle of Dutcher Crossing Vineyards. The charm and quaintness of the architectural style reflects the older barns that are reminiscent of the early 1900's farming community in the Dry Creek Valley. A large open breezeway and tasting room welcome visitors to a magnificent view of the panoramic vineyards and hillside beauty of Dry Creek. The trellised picnic area, set amidst natural gardens, offers an ideal place to relax and sip the winery's selections. The Tasting Room and Picnic Area are open daily from 11am-5pm. Private tastings and tours are available by appointment.
